

We're putting on a Panto-mini (oh yes we are)! It's just like a pantomime, but everything is shorter! We will be using a mix of live action and filmed sequences and the show will be performed over 3 evenings at the Discovery Centre Cinema in Rothesay late in January 2019. Due to refurbishment of the Discovery Centre, we cannot give the exact dates of the shows yet but we can tell you how you can get involved.

What can you do?

- There are 9 speaking roles, all of whom will have to learn lines, sing, dance and perform live onstage and in some of the filmed sequences. (ages 8+)
- There are 3 roles for puppeteers, who will be given expert training in puppetry and will perform live onstage and in the filmed sequences. (ages 10+)
- There are 15 non-speaking roles who will play characters who will act in the filmed sequences only. (ages 5+)

Rehearsals

For those allocated a speaking or puppeteer role, weekly rehearsals will take place on Tuesdays during November, December and January from 3.45 until 5.30pm at Rothesay Joint Campus. In addition, some members of the cast will also be required to be filmed. Filming will take place on Wednesdays from 3.45 until 5.30pm in the Achievement Bute Studio. Individuals will be informed of the exact dates of the film sessions for which they are required in due course. During the week of the shows, performers will also need to be available for technical and dress rehearsal and three shows.

For those allocated a non-speaking role, rehearsals and filming will take place on Wednesdays in November and December from 3.45 until 5.30pm in the Achievement Bute Studio. Not everyone will be needed for every rehearsal and individuals will be informed of the exact dates of the film sessions for which they are required in due course. All of those who play a character in the filmed sequences will be given a free ticket to one of the live shows.
